Dear Writing Spaces Authors:

We hope this e-mail finds you well and look forward to receiving your chapter drafts. Attached, please find the author contract form, the style guide, and a student release form. The author contract form and the student release form are attached as separate documents and also as appendices to the Style Guide.

It is crucial that we the filled out and signed author contract and student release forms (if you are using any student writing in your chapters) before we can proceed with the publication of your work.

As always, please let us know if you have any questions or concerns.

Best wishes,

Charlie and Pavel.
